ABOUT US

Mario Contract Lighting is the Contract Sales division for Mario Industries. Mario Industries is one of the oldest family-owned light manufacturing companies in the United States. We have been manufacturing products since 1922. We are in the beautiful city of Roanoke, Virginia, right beside the Blue Ridge Mountains.

Mario Contract Lighting, (MCL), produces lighting products both domestically and overseas for Hospitality, Multi-Family, Restaurant, and Commercial industries. Although We pride ourselves in our custom capabilities for both guestroom and public area lighting. We are equally confident working with brand standard programs. We combine our 100 years of manufacturing experience, in-house Design, Engineering, Sales, Customer Service, Project Management, and hands-on Family Ownership, with our overseas partner factories - to bring you the absolute best of both worlds - there's almost nothing we can't do for you our valued customers. Come re-discover us all over again - We'll make sure you're glad you did!
